## Materials You'll Need

- 1 skein of worsted weight yarn (approximately 200 yards)
- Size US 8 (5mm) knitting needles

- Yarn needle
- Scissors

## **Choosing the Right Yarn**

The choice of yarn for your Carolyn Single Scarf is a crucial step in determining the final look and feel of your accessory. Worsted weight yarn, with its medium thickness and versatility, is an excellent choice for this pattern. Consider yarns made from natural fibers like wool or alpaca for added warmth and softness. If you prefer a more durable and easy-care option, acrylic or wool-blend yarns may be suitable.

## **Step-by-Step Knitting Instructions**

### **Casting On**

1. Make a slip knot and place it on your left-hand needle.
2. Hold the working yarn in your right hand and insert the right-hand needle into the slip knot from front to back.
3. Wrap the working yarn around the right-hand needle from back to front.
4. Pull the working yarn through the slip knot.
5. Repeat steps 2-4 until you have the desired number of stitches cast on (for this pattern, cast on 20 stitches).

### **Knit Stitch**

1. Insert the right-hand needle into the next stitch on the left-hand needle from front to back.

2. Wrap the working yarn around the right-hand needle from back to front.
3. Pull the working yarn through the stitch.
4. Slip the old stitch off the left-hand needle.

## **Purl Stitch**

1. Insert the right-hand needle into the next stitch on the left-hand needle from back to front.
2. Wrap the working yarn around the right-hand needle from front to back.
3. Pull the working yarn through the stitch.
4. Slip the old stitch off the left-hand needle.

## **Creating the Scarf**

Once you have cast on the desired number of stitches, begin knitting the scarf in the following pattern:

- Row 1: Knit
- Row 2: Purl
- Repeat rows 1 and 2 until the scarf reaches the desired length (approximately 60 inches).

## **Binding Off**

1. Knit the first two stitches.

2. Insert the left-hand needle into the first stitch on the right-hand needle from back to front.
3. Lift the first stitch over the second stitch and off the right-hand needle.
4. Knit the next stitch.
5. Repeat steps 2-4 until only one stitch remains on the right-hand needle.
6. Cut the yarn, leaving a tail of approximately 6 inches.
7. Thread the tail through the last stitch on the right-hand needle.
8. Pull the tail to tighten the bind-off.

### **Tips for Success**

- Use a stitch marker to mark the beginning of each row.
- Count your stitches regularly to ensure you're on track.
- Don't be afraid to undo and re-knit if you make a mistake.
- Block your scarf after finishing to give it a professional look.
