**Anna Ciddor's debut novel, 'Clash of the Cousins,' is a gripping family drama that explores the dark secrets and intense rivalry that can exist within a close-knit family.**

The story centers around Isabella "Bella" Rossi, a young woman who has always felt like an outsider in her wealthy, powerful family. Bella's father, Angelo, is a ruthless businessman who has built an empire from scratch. Her mother, Sophia, is a cold, distant woman who has always favored her older son, Nicolo. Bella has never felt like she belonged, and she has always been overshadowed by her more successful cousin.

When Angelo is diagnosed with a terminal illness, he decides to step down as CEO of his company and pass the reins to one of his children. Bella is stunned when she learns that she is the chosen successor. She has never

worked in the family business, and she knows nothing about running a company. But she is determined to prove herself, and she is not afraid to take on the challenge.

Nicolo is furious when he learns that Bella has been named CEO. He has always believed that he was the rightful heir to the family business, and he is determined to stop Bella from taking over. He enlists the help of his mother, Sophia, and together they plot to destroy Bella's reputation and force her out of the company.

Bella is determined to fight back, but she soon realizes that she is up against powerful forces. Nicolo and Sophia are ruthless, and they will stop at nothing to get what they want. Bella must use all of her wits and cunning to stay one step ahead of her cousins, and she must learn to trust her own instincts if she wants to survive.

As the rivalry between Bella and Nicolo intensifies, the family is torn apart. Secrets are revealed, old wounds are reopened, and the bonds of love and loyalty are tested to the limit. Bella must confront her own demons and her family's dark past if she wants to save herself and her family.

**'Clash of the Cousins' is a fast-paced, suspenseful thriller that will keep you on the edge of your seat until the very last page.** Anna Ciddor has crafted a complex and compelling story that explores the dark side of family dynamics and the power of ambition.
