The Gathering to Save the Nation is a non-partisan movement of Americans from all walks of life who are coming together to find common ground and work towards solutions to the challenges facing our country.

We are facing a moment of great peril. Our nation is divided, our institutions are under attack, and our democracy is in danger. We cannot afford to sit idly by as our country falls apart.

The Gathering to Save the Nation is a call to action for all Americans to come together and work towards a better future for our country. We are not a political party, and we do not have a specific agenda. Our only goal is to save our nation.

We believe that the only way to save our country is to find common ground and work together. We must put aside our differences and focus on the things that unite us. We must work together to build a more just, equitable, and prosperous society for all Americans.

The Gathering to Save the Nation is a movement of hope. We believe that our country can be better than it is today. We believe that we can overcome the challenges we face and build a brighter future for our children and grandchildren.

We invite all Americans to join us in this movement. Together, we can save our nation.
